For OCONUS orders, we ship to a DLA Consolidation Point where the customer must provide transportation data (TCN) for onward movement to their specific location. If the buyer can provide a physical address (other than APO) we can support but it will require additional charges by the carrier (FedEx, DHL, etc.) However, if we ship to an OCONUS address, the order cannot be placed via the GSA Advantage portal because of the variances with shipping costs. We would have to process manually in order to transfer the actual shipping costs to the customer.
